

It Takes a Community to Stop COVID-19.

Georgia Tech has partnered with NOVID to stop the spread of COVID-19. NOVID is a **free** and **completely anonymous** app which gives you the information to **proactively make decisions based on your risk** of infection. Protect yourself and make informed decisions with NOVID to help Georgia Tech stop the spread!

1

Download NOVID

Scan the code on the right to find NOVID in the App or Play Store.

2

Enter the Code

Enter '**JACKETS**' in the 'Communities' section in settings to join the Georgia Tech community.
